By PATRICIA TENNISON

Classes start Thursday in the new \$7.2-million Wheaton-Warrenville High School at Wiesbrook and Butterfield Roads, about midway between Warrenville and Wheaton.

Gone are the traditional institutional green, four-walled classrooms and the teachers desks at the front of the rooms.

In some instances, even the teachers will be gone as students gather in small numbers

for independent studies.

Replacing the traditional classrooms are large academic "pods," which can be subdivided quickly into study areas of various sizes.

Individual teacher cubicles are clustered in the middle of the pods.

The corridors are bright. The rooms are

"You Really Have a Beautiful Building!"

# Modern design of high school to aid students to teach selves

From page 8

The real story of the high school can be written six months from now when the teachers and students are in the midst of this new teaching concept, Principal Harold Burshtan said. Burshtan, 43, lives in Wheaton.

The students will be treated as individuals and allowed to progress at their own rate in the academic subjects.

"Where possible, the students will be in small classes. Ideally, we'll be having the students teach themselves with teacher direction," Burshtan said.

This individualized and flexible teaching method will actually put much more respon-

sibility on the teachers' shoulders, Norman Jespersen, assistant principal, said.

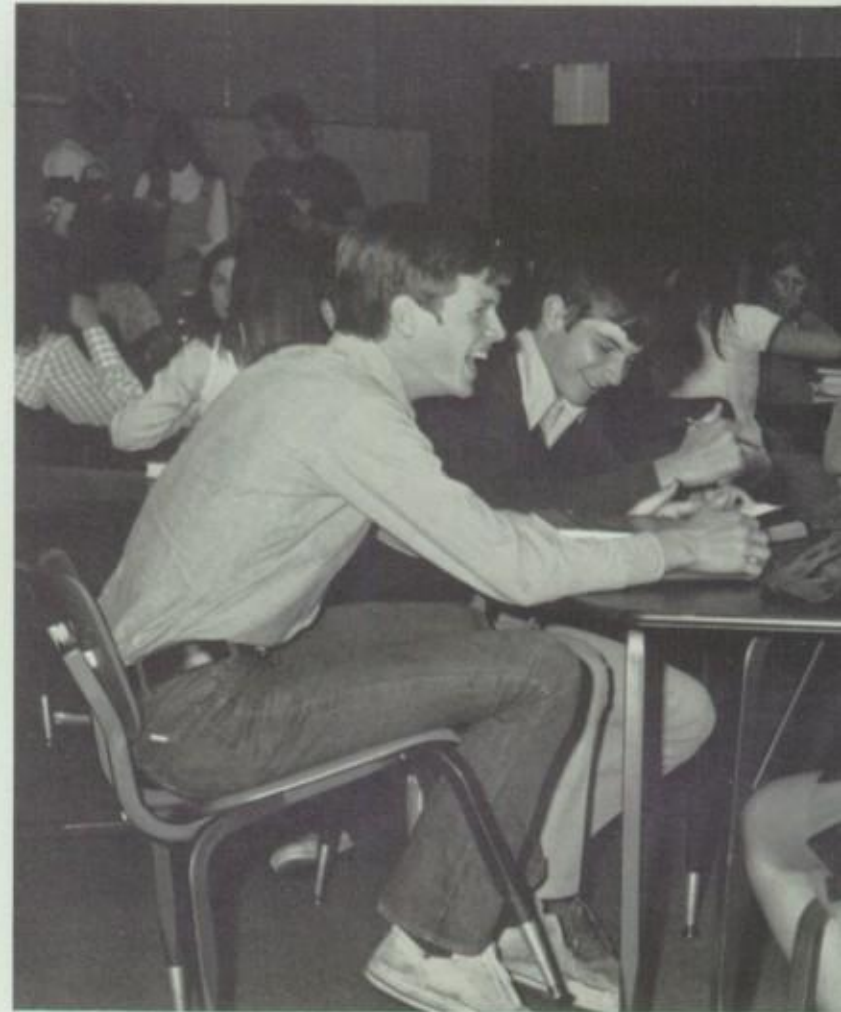

Almost two-thirds of the staff came from other schools within District 200. The teachers have been studying new teaching methods at a special workshop.

"The one philosophy that we all share is individualized instruction. The teachers will pick it up from there," Burshtan said.

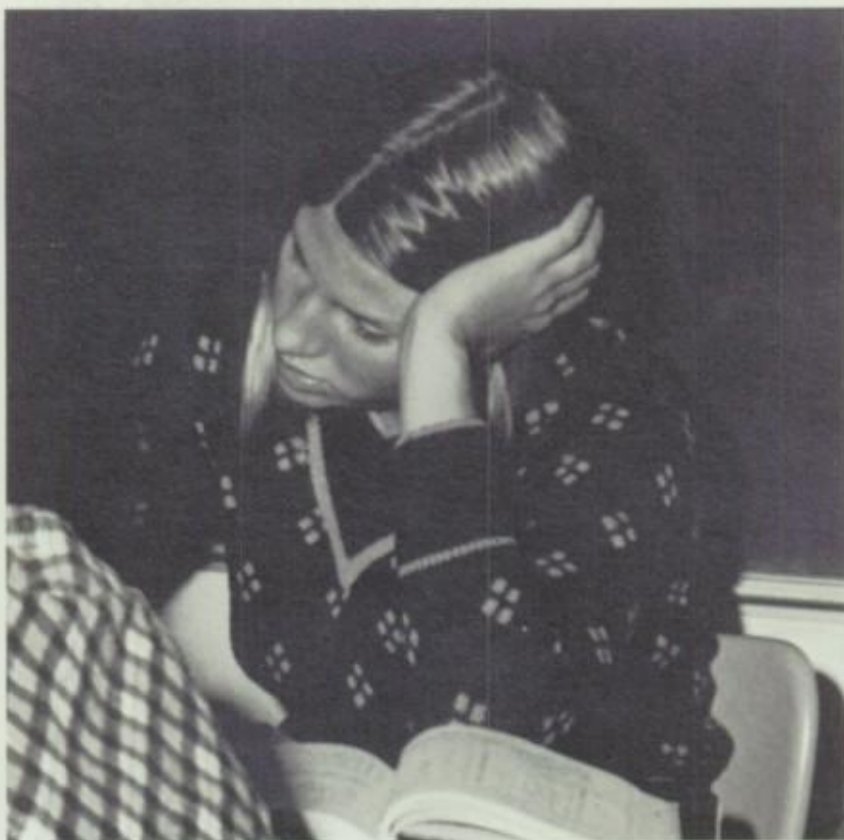

"The building is so flexible that we could have structured one-room classes, a school within a school, or open classes," he said.

The school was built for a capacity of 1,200 students but can be expanded to 3,000.

"Whatta ya mean, you lost the ball?"

# ACTIVITIES

Wheaton-Warrenville's first drama presentation, *The Sound of Music*, was given on November 7, 8, 9 and 10. The directors were extremely pleased to see a record number of people try out. The two principal characters were Cathy Brown and Leigh Trantham as Maria; and Bruce Barnes as Captain Von Trapp. The Captain's children were portrayed by Sue Carrigan, Brenda Murk (Liesl); Cindy Crimm, Gail Gabler (Louisa); Lucy Lund, Karen O'Dea (Brigitta); James Pederson, David Renaud (Kurt); Jeff Fontana, Rick Trautman (Friedrich). The parts of Marta and Gretl were filled by grade school children. Marta was played by Mary English and Lucy Schilke. Jeanne Wheeler and Sally Kieth played Gretl. Rolf Gruber was played by Jeff Weber. Elsa Schraeder was played by Alisande Johnson and Terrie Johnson; and Max was played by Ken Krawzik. The Mother Abbess was portrayed by Cindy Dixon and Margaret Czarnecki.

The Varsity Wolverines started out their season right with a 26-6 victory over the Rich South Stars. This was the first football game ever to be played under home lights. The next game was a tough loss to Buffalo Grove, but the Wolverines came back strong and played their best game of the season by upsetting Glenbard North. Although the team was behind 29-18 with just a little over a minute left to play, the surprising Wolverines managed to score two touchdowns and win the game. This game was

undoubtedly the highlight of the season. The team was led by halfback Bill Maher, the only member of the team with varsity experience. Maher was voted "Most Valuable Player." Under the excellent coaching of Head Coach Howard Barnes, the Wolverines finished up the season with a very respectable 2-6 record. The Varsity played well all season and lost several heartbreakers. With all team members returning, it's going to be "Watch out for the Wolverines!" next year. The Varsity will come back strong next year and show a few teams how a Wolverine can fight.

The sophomore Wolverines had a .500 season this year. Their four wins were against Rich South, Buffalo Grove, Fenton, and Ridgewood. On three of those four games, the opposing teams remained scoreless. The team also lost a very close game to Glenbard North.

The two coaches decided to keep all of the freshmen down on the freshmen level this year to assure them of a strong team in years to come. Both the "A" and the "B" teams were strong this year. The "A" team's record was an impressive 7-1 while the "B" team went 3-3 for the 1973 season.

Cross Country is the forgotten sport. The runners practiced for their 3-mile races by running 20 miles. Cross Country is mostly mental attitude and stamina. The team had to run while the coach rode on his red bicycle all season. The biggest crowd at their meets was 12 people. Despite all of these hardships, the Varsity Wolverines ended up their season with a very respectable 4-9 record. The two captains were Mike Hamilton and Mark Mlsna.

The Wheaton-Warrenville Frosh-Soph. ended up their season with a 2-9 record. The team was led by Eric Wedow and Ed Williams.

Although the Wolverine cagers were 3-20 in the 73-74 season and 1-12 in the conference, the team showed a high degree of talent for such a young team. The highlight of the season was the last game of the year, against Elmwood Park. The Wolverines led most of the game and the final score was 60-52. The Varsity also defeated Buffalo Grove and Oswego, the latter a surprising upset of 89-49. The team lost some heartbreakers too, including the Buffalo Grove opener. In the regional tournament, the Wolverines were defeated by the Wheaton Central Tigers. Pat Welch received the Most Valuable Player award.

The highlight of the Varsity season was the teams 3rd place finish at the 8-team St. Francis Tournament. There were two individual champions and two second place finishes. They surprised everyone but Coach Beilfuss. At the District meet, the Wolverines took 7th place out of 9. Jim Bangs won the Districts and went to Sectionals, where he won his first match. Several other Wolverines did well at Districts. The team finished 7th at the Conference Meet.

The Sophomore/J.V. team had a fine season and ended up with a 3-11 record. They were also 7th in Conference. The Freshman wrestlers were 5-7 this season. They placed 4th out of 15 teams at the Rich South Tournament and Tony Kouros was named the meets most outstanding wrestler.

The 1974 Wolverine Gymnastics team started out with very young team members. There was 1 junior on the team, so the best word to describe the Wolverines was inexperience. With every member of the team returning next year, the gymnastics team will undoubtedly do a lot better. This year the Varsity record was 0-11. The Freshman-Sophomore team was 2-11 for the season with 3 very close defeats. The team was led by junior Jim Raddatz, and sophomores Eric Benson, Marc Belon, and Eric Wedow. The Varsity Wolverines ended up the season in 5th place in the Conference Meet, and 6th place in sectionals.

The four girls, under the coaching of Miss Labosky, cheered, made posters, and supported the team throughout a successful season. Lori Kratzenberg, captain, was the Wolverine Queen at the Conference Meet. The girls, along with the Predicaments, baked food for the team and also held a dinner for them at the end of the season.

The Predicaments were 10 girls who scored for the wrestling meets and generally helped to keep the spirit of the teams up. They made posters, baked food, and helped to cheer the Wolverine wrestlers along during the season. Along with the Cheerleaders, they accompanied the teams to all away meets.
